

Stage 10 south bay

You were thinkin' this was a nice town, but it's your money they're interested in, not you. Well I'm sorry folks, but it ain't gonna be that easy!

Start: standing by your horse, hands above shoulders (low Gabby), both pistols loaded w/5 and holstered, rifle loaded w/10 in scabbard, open-empty shotgun staged at bank. Signify ready by saying: "Not with my money!"

On signal: retrieve rifle and engage R1-R4 using Lawrence Welk (progressive) sweep. Move through saloon doors, lay rifle on bale and using first pistol engage P1-P3 w/5 rounds any order, holster. Move to bank, retrieve shotgun and engage S1-S4 any order. Make shotgun safe, move to other side of bank and with second pistol engage P4-P6 w/5 rounds any order, holster.

Round count: 10 rifle, 10 pistol, 4(+) shotgun
