

Stage 2 bay 2

The truce talks are stalled. The renegades won't back down and neither will you. It's time to quit talking and take action...

Start: standing behind bale 1 or 3, arms crossed on your chest, rifle loaded w/10 and open-empty shotgun on bale in front of you, both pistols loaded w/5 and holstered. Stage may be run in either direction.

On signal: with first pistol sweep targets in front of you, holster. Retrieve rifle and sweep targets in front of you twice, no double taps. Make rifle safe, retrieve shotgun and engage two targets in front of you. Move to bale 2 and engage S3-S4. Move to last bale and engage last shotgun targets. Make shotgun safe and with second pistol sweep pistol targets in front of you, holster.

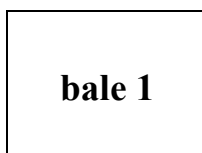

Round count: 10 rifle, 10 pistol, 6(+) shotgun
