

Stage 4 bench rest bay

Them wily road agents blocked the trail and you got no choice now but to fight ‘em off ‘cause the mail must go through.

Start: seated on wagon, reins in hand, rifle loaded w/9 and open-empty shotgun staged at corners of wagon, both pistols loaded w/5 and holstered. Signify ready by saying: “Whoa Hoss!”

On signal: pull reins to set SG targets (unset target is a miss), stand and retrieve shotgun and engage S1-S4 any order. Replace shotgun, retrieve rifle and engage R1-R3 w/3 rounds each any order. Replace rifle and using both pistols as necessary engage P1-P5 w/2 rounds each any order, holster.

Round count: 9 rifle, 10 pistol, 4(+) shotgun
