

Stage 7 bay 2

Like Johnny Cash, you “Walk the Line”. Johnny may have been “bad”, but you’re armed and dangerous.

Start: standing behind bale 1, rifle loaded w/10 in hand, open-empty shotgun on bale 2, both pistols loaded w/5 and holstered.

On signal: sweep R1-R7. Move to bale 2 making rifle safe on bale 1 or bale 2, retrieve shotgun and engage S1-S4 any order. Move to bale 3 making shotgun safe on bale 2 or bale 3 and using both pistols as necessary sweep P1-P15 twice, no double taps, holster.

Round count: 7 rifle, 10 pistol, 4(+) shotgun
